ROTARY INTERNATIONAL PRESIDENT Kalyan Banerjee (India)

Kalyan Banerjee, of the Rotary Club of Vapi, Gujarat, India, was elected president of Rotary International in 2011-12 by delegates during the fourth plenary session at the 2010 RI Convention in Montréal, Québec, Canada.

Kalyan Banerjee is chair of United Phosphorus, Bangladesh, and a director of United Phosphorus Ltd., one of the largest manufacturers of agrochemicals in India, and Uniphos Agro Industries Ltd. Born in Kolkata in 1942, he earned a degree in chemical engineering from the Indian Institute of Technology, Kharagpur, in 1964. He is a resident of Vapi, Gujarat, where he has contributed significantly to its development as one of the largest industrial estates in India, helping to provide infrastructure for health care and education.

Banerjee has been a member of the Rotary Club of Vapi since 1972. He served as club president in 1975-76 and district governor in 1980-81. He began his international service to Rotary in 1995, with his appointment to the RI Board of Directors. He has gone on to serve as general coordinator of the Poverty and Hunger Alleviation Task Force (1997-98), trustee of The Rotary Foundation (2001-05), and chair of the Southeast Asia PolioPlus Committee (2009-10). He has served on numerous other committees, including the International PolioPlus Committee (2008-09), Reach Out to Africa Ad-Hoc Executive Committee (2009-10), Leadership Development and Training Committee (2009-10), Permanent Fund Committee for India (2008-09), and the Child Mortality Emphasis Coordinating Team (2008-09).

Banerjee is also active in many other organizations, including the American Chemical Society, Indian Institute of Chemical Engineers, and the Senate of the Vishva-Bharati University. He has served twice as president of Vapi Industries Association and is a past chair of the Gujarat Council of the Confederation of Indian Industry. In addition, he is a trustee for the Jai Research Foundation.

Kalyan Banerjee is married to Binota, a social worker, and they have two children and four grandchildren.

Banerjee encouraged all Rotarians to self-reflect and to serve generously.

"Through service, we are able to look within ourselves to find reserves of generosity, of grace, and of care and concern, and to seek a deeper meaning to our daily lives. We discover what it means to help a human being and, in so doing, become more fully human ourselves," Banerjee said.

CLUB PRESIDENT 2011-2012 COLIN MCGOWAN

The year promises to be an exciting one as we move into our 26th year. The strength of the Club is in its vibrant and active membership.

We have been very fortunate to have had Champions like the Turnbull's who have run the Garage sale for years. Whilst standing down this year from the primary management of it, they are both still 100% committed to the event as they are to every other activity in the Club. Words can't say thank you enough to both David and Jill for what you have done for the Club, year in year out.

Similarly with Dick Bushell who is moving on to a life without Rotary. Like the Turnbull's with Dick it wasn't just being there on the day, but being there leading up to the day. We have witnessed this many times. Thank you so much Dick. There are other names who are also great Champions of the Club but I am conscious that if I name them it could be a precursor to them stepping aside –and I don't want to self inflict that.

These movements have required us to re-engineer some substantial changes on how we run the major activities in the Club.

The "grand plan" is that in future we will try and have more than one Champion for each project, particularly in the lead up stage so as to share the load more equally than previously. Many shoulders make light work and I am optimistic that as a Club we can do that.

One of the new Charities we are proposing to support this year is the Black Dog Institute. Depression in young people and the older generation is increasing and is of great concern. In a similar vein Operation Hope is a great cause and we will also be supporting them this year. It gives young people at risk the opportunity to gain self esteem and confidence and have goals to move forward in their life. Lifeline, the charity often used by people as a last resort before self harm is also on our list, as is Warrah, the school and residential care facility at Dural for young and older citizens with mental and physical impairments.

We are again supporting an Inbound exchange student, this time from Denmark and we look forward to her arrival.

Our Avenues of Service Directors will tell you of what they have in store in each of their reports.

With the support of the Board and the members I am looking forward to an active and enjoyable Rotary year.

Colin McGowan

Foundation and Public Relations

Foundation Director and Public Relations Director: PDG Larry Jacka
Committee: Barry Freeman, Carol Russell,

The Rotary Foundation

The Club's effort will continue to ensure the good work of the Foundation continues.

Annual Giving Program: Given the past two years where Major Donations were made, it is considered that this Rotary Year will be somewhat more moderate. Annual Giving Program giving's this year are estimated at USD\$4000.

The Benefactor Program will also benefit from a Major Donor contribution in the new Rotary Year and giving's this year are estimated at USD\$11000.

The Centurion Program will continue to achieve it's target of having 100% Rotarian membership. The Club will continue to achieve 100% renewal of existing Centurions.

PDG Larry Jacka
Foundation Chairman

Public Relations

The Club will continue to foster the excellent rapport held with the local Media outlets.

Strong articles will continue to be submitted further raising the awareness of Rotary both at local and International level.

MEMBERSHIP

Membership Director: Carol Russell

Membership Committee: Steve Baker, Cawas Sahukar, Keith Ball, Ross Ballinger, Graeme Yeates

"BUILDING AN EVEN MORE VIBRANT CLUB"

Aim

To have a net growth of at least 2 members during the year (from 48 to 50 and processes which ensure member growth into the future. (Approximately 5 new members Are required to achieve a net growth of 2)

Background

As evident in the Nov 2009 /10 survey we have a club that we are all proud of. We all enjoy Rotary and get a lot out of it. Our club is strong, we attract new members. The focus will be to fine tune existing membership processes.

Strategy

Retention

The member survey did identify several areas of concern. These will be tackled so that members see the changes and feel confident the survey has made a difference. The aim is to have no unavoidable member losses.

Education

Educate new members to ensure an early understanding of Rotary and the many programs our Club is involved in. This can be achieved by providing each new member with suitable literature, mentoring and fireside chats. Each new member should be assigned to a committee and be involved in suitable activities.

Educate all members to be effective ambassadors of Rotary and well equipped to recognise good prospective members, invite them to our Club with an aim that they may join.

New Members

New members not only grow the club but make it more vibrant. We must capitalise on every opportunity to show our acquaintances and members of the public what a magnificent organisation Rotary is, and what a fantastic club we are members of. It is then they may express interest in becoming a member, and we will be equipped to respond.

This is a responsibility of all members, it should become "natural".

Planned Activities

1. Actions recommended from the 2009 /10 member survey
2. Ensure a complete kit of promotional materials
3. Put up permanent posters/signs in the community as appropriate
4. Ensure promotion of Rotary and our Club at every opportunity
5. Provide education and materials to members so they can recognise prospective members and refer them to the committee
6. Have at least one membership meeting
7. Follow up all leads obtained

Provide education to ensure effective mentoring

Proposed Amount (subject to budget)

Promotional materials	\$250
New member dinners	\$300
