

DEPUTY PRINCIPAL'S REPORT

May Samali Award

This week we had seven of our Year 11/12 students submit their responses for the May Samali Award. The May Samali Award celebrates the achievements of distinguished Year 11/12 students by providing them with the opportunity to reflect on their positive experiences at CTHS, in addition to the broader public education system. Applicants are required to respond to the question, "What does Cherrybrook Technology High School and public education mean to you?" This response can take many forms including written, visual or multimedia. This year the responses were varied and all of an exceptionally high standard. The winner will be announced at our annual Presentation Night Ceremony on Tuesday 5 December. Given their wonderful work, we have included pictures of all the finalists' responses in this edition of *Network*. Congratulations to Courtney Cockerton, Raghav Janardhan, Hemanshi Kumar, Kaustubh Patel, Senuwani Perera, Michelle Sena and Alicia Spencer.

White Ribbon Day

On Monday, we had a visit from a number of our local police officers who spoke to Year 10 students about White Ribbon Day, a campaign to raise awareness of, primarily, men's violence against women. Their preventative talk resonated well with students in what is an important initiative, not only for young adults, but also for the wider community. A student report is included in this edition of *Network*.

New HSC Minimum Standards Online Tests

This week we have been trialling the new online tests for the HSC Minimum Standard of Literacy and Numeracy. This has provided an opportunity for the small proportion of our Year 9 students who did not reach the minimum Band 8 benchmark in this year's NAPLAN exam to experience, understand and hopefully reduce anxiety around the nature of next year's online exams.

Final P&C Meeting 2017

A reminder to all parents our final P&C meeting for 2017 will take place on Tuesday 21 November in the school common room commencing at 8.00pm.

The first part of the meeting will be an opportunity for parents to provide opinions about the school's strengths and weaknesses which, in turn, will assist the school Executive as we move toward our next three-year strategic plan. If you would like to express a view, which will assist in establishing the school's direction for the future, please come along.

As this is the final meeting for the year apart from the other usual agenda items, there will be some social Christmas activities.

All parents are encouraged to attend and enjoy the evening.

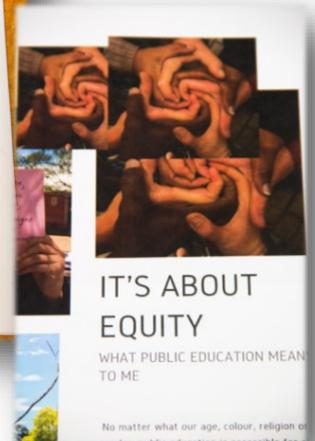

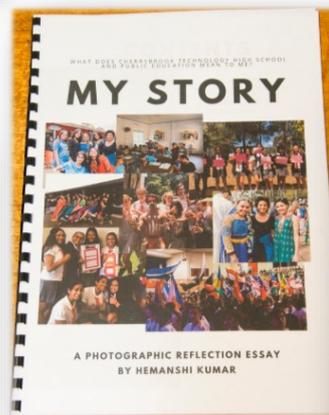

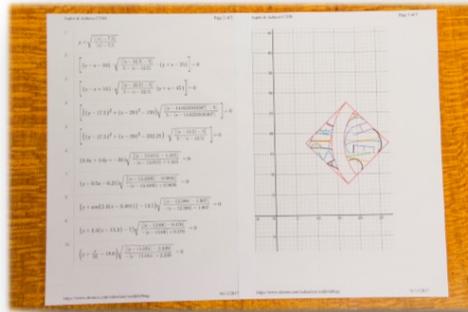

Congratulations to Mr Woo

Congratulations to our Head Teacher Mathematics, Mr Woo, who has won the 2018 NSW Local Hero Award for his dedication to teaching Mathematics in accessible and engaging ways. The Local Hero Award was introduced into the Australian of the Year Awards in 2003. It acknowledges extraordinary contributions made by Australians in their local community. The NSW recipients of the 2018 Australian of the Year Awards join 32 state and territory winners from across the country at a ceremony in Canberra on Australia Day. The Sydney Morning Herald wrote a wonderful piece in Wednesday's Editorial on Mr Woo and his achievements and the status of teachers in general. It is well worth a read.

MADD Concert

On Wednesday evening the excellent showcase of Creative and Performing Arts drew a large audience to watch the annual Music, Art, Dance and Drama (MADD) extravaganza.

A big thank you to the whole CAPA faculty and the Ensemble Directors for their many hours of hard work in preparing, practising and organising the students throughout the year. The quality of our MADD Concerts continues to impress us. It is a great event for showcasing the wonderful talent of our students at CTHS. A more detailed report from the CAPA KLA is included in this edition of *Network*.

CTHS Big Band

The CTHS Big Band have had a busy schedule of late. Besides their fantastic performance bringing the MADD Concert to its conclusion on Wednesday evening, they have been busy attending workshops with the Concert Bands at both Cherrybrook Public and Oakhill Drive Public Schools. Last Saturday, the Big Band performed at the annual Oakhill Drive Public School's Family Fun Day, along with our Concert Bands, Guitar and Percussion Ensemble groups. Prior to this they played at the Inala Fair, as well as a two-hour private function, which was an auction prize from the Cherrybrook Ball held earlier this year. That is commitment to the cause at its extreme and speaks volumes for the esteem in which the CTHS Big Band is held by our local community. A big thank you to Mr Felton for all his efforts and congratulations to the members of the Big Band, who continually achieve above and beyond expectations on many fronts.

Year 7 Literary Festival

Monday was a busy day for Year 7 students, who participated in a Literary Festival featuring a range of activities aimed at inspiring the writing skills of our young Authors. The invited Authors and Guest Speakers showcased a range of genres and styles throughout the day and students workshopped their writing skills in groups. From all reports the day was a resounding success, with students actively engaged throughout. A big thank you to Mrs Sorensen and Ms Halder for their tireless organisation of the day.

Swimming Carnival

A reminder the 2018 Swimming Carnival will be held on Wednesday 22 November.

The carnival will take place at the indoor centre at Olympic Park. The demolition of Parramatta Pool has led to the change in venue. All students should have received a note detailing requirements for the carnival, which is a very important day on the school calendar.

All students and parents are reminded this is a **normal school day** and the carnival is part of the NSW school curriculum. **Attendance at the carnival is compulsory!**

Year 7 Gala Day

Year 7 students enjoyed the opportunity to run around and compete in a range of sports and activities during their Gala Day on Thursday. The Year 9 volunteer coaches did a fine job as they motivated and inspired students to compete with utmost sportsmanship. A big thank you to the PE staff for their organisation of the event.

Student Attendance and End-of-Year Arrangements

A reminder to parents all students are to continue attending school until Friday 15 December. Parents are also reminded school will conclude at the end of period 4 on this day. Following period 4, students will attend a very brief assembly from which they will be dismissed for the summer holidays at approximately 12.30pm.

Any parent who needs their child supervised until 3.00pm on Friday 15 December should contact the school in writing so this may be arranged.

Congratulations to Erik Willison

Erik has been successful in securing a placement in an upcoming event, the National Youth Science Forum, a twelve-day residential programme held in January at the University of Queensland and Australian National University Canberra. Erik received a sponsorship grant from the Government's Department of Industry, Innovation and Science under the 'Inspiring Australia - Science Engagement Programme'. The West Pennant Hills/Cherrybrook Rotary Club were also very generous in providing additional financial support for Erik and endorsing his application for which he is incredibly grateful. We wish him luck and look forward to the stories he will return with in 2018.

Mr Clements

PROCEDURE FOR EARLY LEAVERS

If a student needs to leave school early, they **must** provide a note from their parent/guardian giving reasons for their partial absence. **The student must hand the note in at the student window before 8.30am** where they will be issued with a leave pass. They can then present this pass to their teacher and leave school at the appropriate time.

On Thursdays (sport days) all students in Years 9-11 must have their early leave notes signed by a member of the PE staff before presenting to the office.

Building Project Update

The new building (J Block) is quickly moving towards becoming water tight ready for the internal fixtures to be installed. The external brick work (Luscious Red and Metallix Bronze) is nearing completion on the first floor and we should see the completion of the colorbond roof sheeting on the eastern wing by the end of Week 7.

To coincide with the CTHS 25th Anniversary, the Student Executive Team will be burying a 25 year time capsule into the new landscaping, which will be opened in 2042. On Tuesday, Mr Johnson, Mr Townsend and Mr Fisher (Project Managers) took our School Captains, Courtney Cockerton and Dylan Vellani, on a tour of the building site. A photo of the group on the incomplete building site was taken and will be included in the Time Capsule.

Over the next three weeks we will see a large amount of work being carried out around the rest of the school in preparation for the new building to be occupied in early 2018. These works include the relocation of the Senior Study to E2.15 and the removal of the IT, English and LOTE staffrooms. From the start of Week 8, students wishing to see teachers from the above KLAs will need to go to the Library where the temporary staffrooms will be located. There will be some disruption to traffic on Purchase Road during Week 8 whilst the three demountable staffrooms are removed from our site. We apologise in advance for any inconvenience caused.

Mr Fisher

Construction Pathways Excursion

Earlier this week, a group of students visited a construction site in Epping to see first-hand what career opportunities exist on large-scale projects run by Ganellen Construction Pty Ltd. We heard from a structural engineer about the planning involved in designing and construction 550 apartments which will reach completion in July next year. The group was able to see all career options as we toured the buildings and heard about pathways from apprenticeships to construction management roles.

This was the final part of a program run this year for students interested in construction careers and we would like to thank Jim Matterson, a retired construction manager for offering this invaluable opportunity and many words of wisdom to our students.

Retirement Village Rockers

After your yearly exams, what would be the best way to spend your time? Hanging out with friends? Or perhaps playing music and helping out in the community? On Thursday 9 November 2017, the Junior Concert Band (CB2) decided on the latter when they visited Woodlands Retirement Village (Cherrybrook) and the Anglican Retirement Village (ARV) in Castle Hill. The day started off with a wide array of Pop and Television classics which had all of the residents at Woodlands Retirement Village tapping and clapping. The exciting repertoire brightened the residents' day with a smile seen on everyone's face as CB2 left.

After a rewarding morning at Woodlands, CB2 students enjoyed lunch at Castle Towers before heading off to Castle Hill ARV. The residents at the ARV in Castle Hill thoroughly enjoyed iconic tunes from classic movies and famous songs from their youth, especially the works of Louis Armstrong. With the residents at ARV completely satisfied and entertained, the Concert Band's job for the day was done! Although visiting the elderly was a rewarding experience, the undisputed highlight of the day was simply spending time with friends eating, shopping and just relaxing.

Semester 2 Hospitality Work Placement 2

I would like to start with an acknowledgement of the great work done by Mrs Goykovic with the Year 11 Hospitality class, who students sadly farewelled at the end of Term 3. Mrs Goykovic's students were then allocated to me, Mrs Robinson.

As is always the case work placement week rolls around very quickly, this term in Week 5 and with it the reality that students had to go to work. Yes, they have to complete a week's worth of work placement! This sometimes involves beginning work at 4am as was the case for Chali Tillakaratne when he did the morning shift at Pastry Perfection.

Or it can mean working through until 9pm after a full day at school, which was Emma Searle's experience at La Carretta. Other examples can be when the work placement venue hosts a Melbourne Cup Day Event to a packed house as was Jemma Harris' experience at Hotel Pennant Hills and Hannah Giovanazzo plating up 200 servings of dessert at Eden Gardens!

I would like to thank all parents for helping their children participate in this invaluable life experience and also thank the work placement venue providers. Congratulations must also go to the students who finely represented themselves, their families and most especially the school.

Mrs Robinson, HT TAS

White Ribbon Day Assembly

On Monday 13 November, Year 10 was invited to a White Ribbon Day Assembly, where three police officers, who work in domestic violence, educated us about the issue. Domestic Violence (DV) is unfortunately very common in Australia, with approximately one in six women experiencing partner abuse in their lifetime. The officers taught us about numerous DV offenses, charges and how to deal with a DV situation at home. We also watched a video on the disheartening experience of a DV victim, Angela Barker, which shed light on the severe consequences of DV regarding both the victim and the perpetrator. The main message from the assembly was to put individual safety first and not withstand abuse of any kind, making sure to contact 000 if need be.

Literary Festival

Year 7 students celebrated Australian children's literature by experiencing workshops and presentations by some of the creators. Matt Cosgrove, Matthew Lin, Tim Harris, Jules Faber, Will Kostakis, Ursula Dubosarsky, Kirsty Eagar, Kirli Saunders and L-Fresh the Lion ran workshops or presentations. The poets, illustrators, cartoonists and authors explored literature to engage and inspire, reveal skills and techniques, and encourage reflection and enthusiasm for the spoken, written and illustrated word.

Already 100 students have responded to the survey. Responses have been positive, expressing delight, feeling encouraged to write, draw and experiment. Do not be surprised if a folded paper heart pops up somewhere with powerfully poetic words of appreciation, affirmation, love, beauty or happiness; keep the illustrations and cartoons to remember the beginning. Students were particularly appreciative of the positive interactions of the presenters as they assisted and encouraged them (they are used to such help from their teachers).

Thank you to Ms Burroughs, English, who kindly ran a 'horror-fying' workshop which delighted not frightened the students.

This day would not have been possible without the financial support of the P&C who subsidised the cost of the festival. We thank them for their generosity.

A request to all Year 7 students who attended this day and have not yet completed the survey, please read your Departmental e mail and take a moment to complete it. Your responses are vital for future festivals.

Macquarie Entry Navigator

Everyone comes to university on an ATAR. Right? No, not with Macquarie Entry. ATAR is just one of the indicators we use to determine your suitability for study. It is true your ATAR rank can be a useful indicator of your chances for success in a specific course. However, it is equally true for other courses there are other indicators we can use to assess your suitability.

Use the navigator to see which entry pathway suits you best:
