President's report

October has come and gone culminating in a successful Porsche Club Sausage Sizzle, my thanks to Tim Bickford, Colin Baxter for organising the day and Tom Westcott for the trailer and its continuing improvements, a profit of \$2,000 is a good outcome and we know we can improve. The Golf Day with Hunters Hill was also a success with a tentative profit of \$3,000, thanks to Tim Boland for all his work.

We are coming up to Christmas but before that we have a Warrah Working Bee on Saturday 13th November and Christmas Lunch on Sunday 5th December – I'll see you there.

My thanks to Jim, Carol and Pru for the Melbourne Cup Monday night, it was lots of fun and the night went quickly but, who won the money? my picks are still running!!

Graham

At our last meeting – 1 November 2010

Last Monday was our Melbourne Cup night. President Graham took the opportunity to ease off with the formalities and hold a relaxed and casual meeting. This relaxed mode also extended to giving our Night Reporter the night off so, the following pics are it!

President Graham in decidedly relaxed mode

The rather ordinary group of male "fancy hat" contestants

And the winner, by the clearest of margins Kumar Fernando... Yeh!!!

Not surprisingly, the ladies put on a much better show (See larger pic at back of this bulletin)

*And the winners are:
Sandy BurrageYeh!!!!*

And Pamela Makin.....Yeh!!!!

Ex Bookie Jim giving us his unique "insight" into the 150 year cup history.

Series of Natural Disasters strikes Indonesia

Rotary International News
29 October 2010

Rotary International staff members are working with District 3400 to acquire information about Rotarian-led disaster relief efforts after a tsunami and volcanic eruption killed more than 370 people and displaced tens of thousands in Indonesia.

The tsunami, triggered by a 7.7 magnitude earthquake on 25 October, destroyed villages on the remote islands of Mentawai. More than 400 people remain missing. A day after the tsunami hit, Indonesia's Mount Merapi erupted, killing more than 30 people and displacing 40,000 as residents fled the area.

Updates will be posted at www.rotary.org as they become available. Please send any questions or concerns regarding these disasters to relief@rotary.org.

HUMOUR

There are times when additional support is necessary to get through a gruelling day at work. Here's one suggestion:

A Master Reference binder has been created for all who may need to reference it. Inside this binder you will find 'solutions' to everyday problems.

If you are having problems with the photocopier, having difficulty dealing with co-workers, having computer problems....please come and get the red binder and it will help you through your issue. You may refer to the red binder as often as you wish.

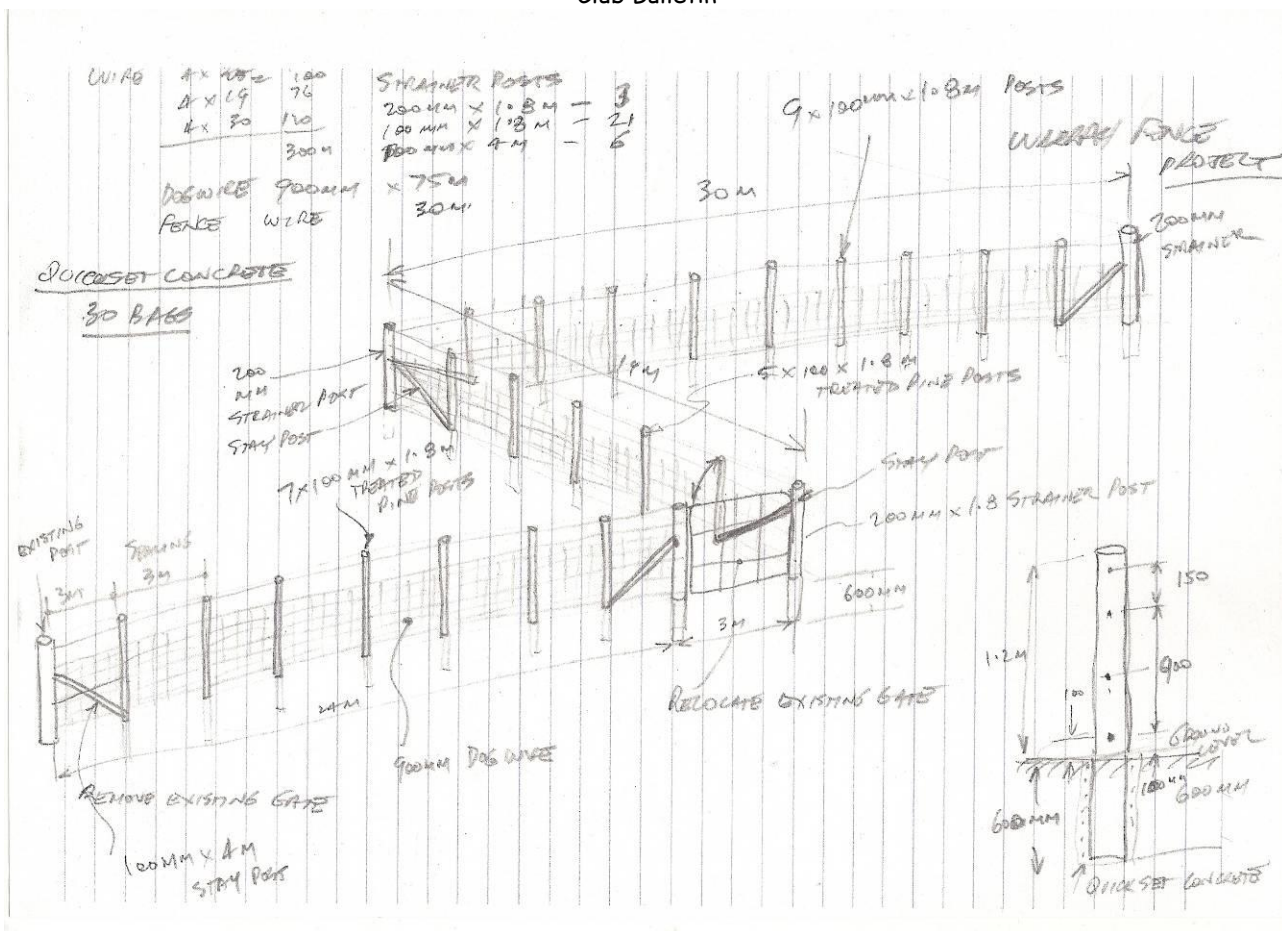

Use the red binder for all issues...it is guaranteed to make you stress-free and relaxed.

David Turnbull

Warrah – Rotary Walk Project – Stage 2

Our next working bee at Warrah is scheduled for Saturday 13 November. This is stage 2 of our Rotary Walk project and will involve us building a post & wire fence and swinging a farm gate. This is to separate the recently completed pathway from their farm animal paddock. We will be using some great toys such as the motorised post hole digger (two strong volunteers needed) and chainsaw etc. We will need a team of at least 10 or 12 to get the job done. Dick
