## Night Report

NIGHT REPORT 19<sup>th</sup> May

Sergeant Tony Makin opened the meeting with Barry Lambert saying Grace & Gino Savio the Loyal toast.

President Elect Barry Freeman then spoke about the guest speaker forms, of which he had received only two replies. We need the members to recommend speakers.

The change-over night on the 21st June is to be held at the Madison.

Vilde then gave her report about her family and best friend going back home. Then going to a concert at the Entrance.

Bob Davison then presented from the club a Bridge Climb Voucher to use in the next few weeks.

Max Henderson informed the club about a visit on 16th June from the Sydney Youth Musical Theatre who will perform for us. This is a partners night – Max is hoping for a good roll up of people.

Colin Sharpe is organising a table to see these young people perform at the Hornsby R.S.L. on the 11th July. Contact Colin, or wait for the sheet to express your interest.

David Turnbull spoke about the Red Shield Appeal on Sunday 25th at Barry Smith Holden 8am. At present we have 12 drivers attending – more are needed.

For the people attending the convention David is coordinating who is attending which sessions eg: we should all meet up at the Sun BBQ lunch.

Philip Smith, our guest speaker from the Chatswood club, showed some pictures of a little girl Bethina from Papua New Guinea who had major surgery to remove a Nasal Meningococcal from her face. This operation took 7 hours with a 122 stitches.

Philip then gave us the presentation he will give at the District Convention Speed Fare and asked our club for advice to improve it. Our club members really excelled in recommending improvements, eg: instead of saying R O M A C use the full name Rotary Oceania Medical Aid for

Children. The need is for more funds, to date 350 children have been operated on, \$14 million has been raised. There is no fee for the doctors but hospital costs are very high. Philip is trying to encourage other countries to join Australia & New Zealand to cover the Pacific Region to help these children.

Vildi won the raffle and presented the wine to Stan for his Birthday, Heads & Tails was also won by Stan.

Sandy Burrage then closed the meeting with the national anthem.

Next week is Pride of Workmanship – Colin Sharpe has four worthy recipients organised.

### About the event

It's 1962 in Baltimore, and the lovable plus-size teen Tracy Turnblad has only one desire - to dance on the popular Corny Collins Show. When her dream comes true, Tracy is transformed from social outcast to sudden star. She must use her newfound power to de-throne the reigning Teen Queen, win the affections of heart throb Link Larkin and integrate a TV network all without denting her 'do!

SYMT is now in its 35th year of producing musical theatre in the Sydney region and remains the only exclusive 'youth' musical society in Sydney. Each year, SYMT produces two productions, one in July (14-25yrs) and one in November (10-18yrs).

## Food for Thought

I can't clean out the garage because  
I get distracted by all the cool stuff I find.

## Humour

Are you a "**LEXOPHILE**" ?

A "Lexophile" is a person who loves playing with words such as  
"you can tune a piano but you can't tuna fish",

or

"to write with a broken pencil is pointless."

A competition is held every year to think up with the best lexophillies.

Here's a sample of last year's best:

1. When fish are in schools they sometimes take debate.
2. A thief who stole a calendar only got twelve months.
3. When the smog lifts in Los Angeles U.C.L.A.
4. The batteries were given out free of charge.
5. A dentist and a manicurist got married but they fought tooth and nail.
6. A person's will is a dead giveaway.
7. When she got married, she got a new name and a dress.
8. A boiled egg is hard to beat.
9. Seen one shopping Centre - seen a mall.
10. Police were called to a day care Centre where a 3-year-old was resisting a rest.
11. Did you hear about the guy whose whole left side was ripped off by a shark? He's all right now.
12. A bicycle can't stand alone as it's two tired.
13. When a clock gets hungry it goes back four seconds.
14. The guy who last week fell into an upholstery machine is now fully recovered.
15. The fool had a photographic memory which was never developed.
16. As soon as she saw her first strands of grey hair she thought she'd dye.
17. Those who get too big for their britches will be exposed in the end.
